Dear Tom,

I praise the Lord for your significant special ministry to us February 6<sup>th</sup>. Your quoting of Jonah was a powerful intro to my message on the Life of Christ!! I trust that other Pastors will learn to use you as an introduction to their sermons as it is uniquely blessed of God as it is the Word of God.

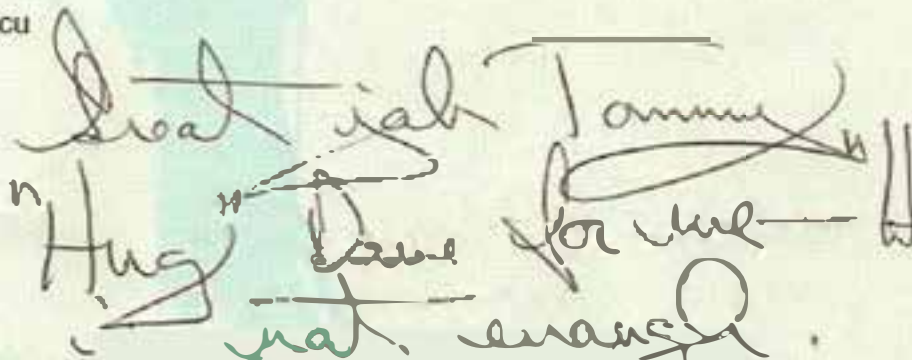

Enclosed find our honorarium. The 3 teenagers who responded to Christ during your ministry in Sunday School meet with me every other week for discipleship. I will enclose their addresses so you can write them.

Say "Hi" to Dr. Dave!

We Are Together In His Service.
