To Whom It May Concern:

It has been my pleasure in the past to be blessed by the ministry of Tom Meyer. God has gifted him with a capacity and desire to commit the Scriptures to memory and to bless the body of Christ with effective recitations of those same Scriptures. Others have mentioned to me how they too have been blessed by this dynamic presentation of the Word of God. I encourage you to have Tom visit your congregation. I know he will be a great blessing to you.

Sincerely, In Christ
