To Whom It May Concern:

I recently had Tom come and share at our Christian School chapel programs, a senior citizen's Bible study, and in our church. I was amazed at his ability to speak to people of any age. He has a large selection of Scripture that he can instantly quote, and he does it in a very energetic and dramatic fashion. He was able to hold the attention of Kindergarteners, 1<sup>st</sup> Graders, Jr. Highers, Sr. Highers, Senior Citizens, and everyone in our Adult Service. Many people were edified by hearing God's Word recited, and were challenged to memorize Scripture. The ministry of Wordsower International Ministries is something that we were excited to support. If you have any questions regarding our experience with Tom Meyer, please feel free to contact me.
