CHAPLAIN DAVID A. PRENTICE

To Whom It May Concern,

December 12, 2012

● On behalf of the Salvation Army and the Lytton Adult Rehabilitation Center we would like to extend our thanks to Tom Meyer who so graciously came alongside the men of First Baptist Church in Windsor as they ministered to our beneficiaries at our Saturday night Celebrate Recovery meeting.

As chaplain I am grateful that men like Tom would be so willing to come and operate in the unique gifting that God has blessed him with. Here at Lytton, we have men of God from the community coming and standing with men who so desperately need God. The fact that Tom was willing to do so is a testimony to both his calling and the commitment he has to fulfill it through ministerial service.

In His Service,

Rev. Chaplain David A Prentice
