

Prophecy Today

"Examining current events in the light of God's prophetic Word"

To whom it may concern:

As we take a look at the world around us, it is obvious that each new day draws us ever closer to the Return of the Lord Jesus Christ. It was our Lord who posed the question, "when the Son of man cometh, shall He find faith on the earth?" (Luke 18:8). Indeed, finding the faithful is becoming harder and harder. But why is that? Where did true faith go? To answer that, we must find out where true faith comes from. The answer is found in the very ministry of Tom Meyer and Wordsower "Faith cometh by hearing, and hearing by the Word of God." (Romans 10:17)

Tom Meyer has hidden God's Word in his heart, so that he is able to share God's Word dynamically. Because he is reciting and not reading the Scripture, he is able to look the audience in the eye, and speak as though the writers of the Scripture were preaching the Word themselves. I am reminded of the passage where, speaking of Christ, it was said, "For He taught them as one having authority, and not as the scribes." (Matthew 7:29)

When you have God's Word hidden in your heart, as Tom has, you are able to speak with authority, because you know what God's Word says, from the inside out. It's a part of you. And the ministry of Wordsower reflects that.

I heartily recommend Tom to any pastor or church leader who is considering having him speak at his church or special event. It is a unique opportunity to hear God's Word delivered dynamically from the heart, and hearing God's Word will bring faith to those who will listen. As we still have time to labor, let us work while it is day. And, as we await our Lord to shout for us to join Him in the air, let's keep looking up...

...Until,
