Dear Tom:

I'm writing this on behalf of Peter Sandberg and myself. Both of us have been greatly impressed by you and your ministry and your willingness to learn Scripture. I pray that the ministry of delivering Scripture in a dramatic reading will be well-received in the churches. It is our hope to see more of you in the future.

I know that you are highly regarded at Shasta Bible College, and you speak well of the School. So I know that "parting is such sweet sorrow." Well, I hope that the adventure ahead will be big in your attention. Who knows what God can do with someone who can be as dedicated as you.

I'm enclosing \$100 from my goodwill account to help in the next step, and we certainly do want to be in touch with you.

Most sincerely,

Moishe and Peter
