To Whom It May Concern:

It was our privilege to have Tom Meyer of Wordsower with us March 24-25. On Saturday he ministered to our men by sharing with us the archeology of Israel and how it fits with Scripture. That afternoon he ministered to a group of grade-school children as part of an outreach event. He did an excellent job of interacting with the kids and getting them involved with the Bible stories he was sharing from heart regarding faith. They really responded well and enjoyed it very much. Through his sharing of several Bible stories and characters and the illustrations of their faith he made the Gospel very clear. On Sunday Tom quoted James during Sunday School, Genesis 1-11 during the Morning Worship, and the entire book of Revelation during an afternoon service. It was fantastic to get to hear the Word of God presented to us as it would have been to the early church in the totality of its context. It truly made it come alive. It was a blessed weekend getting to sit under their ministry of the Word. I was gripped fresh and anew with the sheer power of God's Word and I appreciated the high regard Tom had for the authority and sufficiency of Scripture. Several weeks later our people are still talking about the blessings of that particular weekend. We look forward to having Tom and his family back with us again.
