To Whom It May Concern

RE: Mr. Tom Meyer
Jerusalem University College (JUC)

I taught Tom Meyer MERC 5/348, Classical Islamic Thought and the Modern Middle East, in the Spring of 2009. I was very impressed with his dedication to the lectures, assignments and exams. He was an outspoken student leading always to lively discussions in class. I also supervised an independent research that he has undertaken in Spring 2010 concerning memorizing the Qur'an. His paper was accepted and graded. I understand is interested in teaching Middle East related subjects to Christian audiences in the United States. In addition, he did volunteer work with Christian Arabs in Beit Jala and Beit Safafa.

His 4-year stay in the Holy land at which time he acquired two M.A.'s from Jerusalem University College is giving him deep insight in Middle East Culture and religion. It is with great pleasure that I am writing this recommendation on his behalf.

I believe strongly that he will be a great asset as a lecturer in Middle East history and culture to Christian audiences.

Sincerely,
