

GRACE
BAPTIST CHURCH

To whom it may concern:

Last Sunday, December 11, 2011 Tom Meyer from Wordsower Ministries came to Grace Baptist Church of Spring Valley, California and spoke the entire book of Revelation from memory. Since, his coming was on the front page of the San Diego Union Tribune, the church was packed with people from around the county of San Diego.

I personally have never thought about all that happened in that day but it has filled us with amazement, blessings, a challenge and somehow advertised our church in some unique ways because of Tom speaking Revelation from heart. The church people and visitors left the church with the same exciting response and made a huge impact in our life with the challenge to engrave God's Word unto our hearts.

Blessings,

Pastor R.J. Cabugwas
