

To whom it may concern:

I met Prof. Tom Meyer at the Alpha and Omega Bible conference in 2011 where both of us ministered God's Word. I was impressed with Tom's unique Wordsower ministry which memorizes entire books and large portions of the Holy Bible and quotes them word for word in a dynamic way that impacts his hearers.

Tom has a real burden for the Church to hide God's Word in their hearts! In addition to speaking the Word from memory, Tom teaches courses on effective means of memorizing the Scriptures. May God bless you, your ministry, and your marriage Tom.

Blessings,

Dr. Renald E. Showers
