

Dear Tom Meyer:

Thank you so much for coming to Ebenezer Baptist Church in Travelers Rest, SC and spending the day on Sunday, February 11, 2012 Speaking God's Word from memory.

Several in our congregation were touched by your reciting the Book of James from memory in our Sunday School time. Then, when you recited Genesis chapters 1-11 at our morning service, more people were blessed, and God was glorified.

During the afternoon service, we had more people join us, and you recited from memory the entire book of Revelation! Praise the Lord!!

People are still talking about what we experienced!!
Let us know when and if you will be in Upstate SC again.

Praise His Name!!
