**Re. Professor Tom Meyer**

**This is a simply statement about the help and ministry of Professor Tom Meyer. He was the one who handled all my book sales and carried them from church to church and to the School every day of the Alpha Omega Bible Prophecy Conference (April 6-10, 2016).**

**He truly reflected the meaning of being a “servant of the LORD” as he picked me up from the hotel each day and drove me to the locations where I was to speak. I enjoyed immensely the fellowship we shared and the common interests and commitment we both have to the Bible and to the Nation of Israel and the Jewish people.**

**Please accept this review of his service and ministry to me – he is an outstanding brother in the Lord.**

**Love to you!**
