

HERITAGE BAPTIST CHURCH

To whom it may concern:

We at Heritage Baptist Church had the privilege of hosting Tom Meyer of Wordsower this July. Brother Meyer quoted the whole book of James and Genesis 22 during our Bible Study hour and instructed our congregation on the importance of Bible memorization and taught some Bible memory tips. He then amazed us by quoting the entire book of Revelation from memory in our AM service. It was an honor to get to know Tom and Sarah Meyer and they were very well received by our congregation.

Blessings,

Pastor Micah Panjada
