

A Note from Pastor

Dear Congregation:

You will not want to miss the service this evening. Our special guest is Tom Meyer of Wordsower International Ministries. Few people have committed as much Scripture to memory as he has!

In a dramatic way, he can recite the entire book of Revelation from memory. But Revelation isn't the only book Meyer knows in its entirety. He has also memorized the entire book of James, Ruth, Daniel, Jonah, some of the minor prophets (Joel, Obadiah, Micah, Nahum, Habakkuk, Zephaniah, Haggai, and Malachi) and a number of other passages from the Old and New Testaments.

Ken Ham, President and CEO of *Answers in Genesis*, says of Tom: "His impressive Bible recitations—from memory— have not only blessed our museum guests in recent years, but our staff has also been encouraged at specially arranged chapels here at the ministry. His commitment to biblical truths and accuracy are highly commendable. We know that God's Word will not return void (Isaiah 55:11)."

Tom is a graduate of Shasta College in California, and has a MA in Biblical History and Geography from Jerusalem University College, also a MA in Middle Eastern Cultures and Religions from Jerusalem University College.

But we also have a personal connection to him as well. Pastor Moosey first met Tom Meyer when he was a junior age youngster at the Grace Baptist Church in Lombard, Illinois, where he pastored in the 1980's. "Tom's family was very faithful to the Lord in their church ministries. They worshipped and served the Lord as a family, and it is a blessing to see Tom now serving Christ in a unique and powerful way," Pastor Moosey says.

As the life of Tom Meyer illustrates, we as parents and church workers never know the full impact of what our faithful work for Christ may do in the lives of our young people today!

In Christ,
Pastor Lancaster
