Dear Tom,

What a privilege it has been for me to meet you. Since witnessing your recitation of the book of Revelation by memory last year, I have been so blessed to have taken up memorization myself. It has been such a blessing to be encouraged to memorize Scripture. My walk with the Lord has been affected because of putting Scripture in my heart. I have also been able to share Scripture more readily with people I minister to at the clinic. In addition, I started a group who meet each week at the clinic to serve as an accountability/encouragement for memorizing scripture. We all love it.

Thank you also for coming to the Pregnancy Resource Center in St Cloud this past week to share Scripture by memory with all of us. We are still talking about it in the break room. Perhaps when we see you again, we will have more to report of our own growth in Scripture memory.

God has been good to you Tom and He is using you in a mighty way. Sharing your gift with us will be life changing as it has already been for me.

Blessings to you brother,
