

To whom it may concern:

Tom Meyer of Wordsower came to the Wednesday eve service at Bethel Baptist Church in Britt, IA on July 2 and shared the entire Book of Revelation by memory. What a blessing! More than one person mentioned to me that this helped them think about the Apostle John's experience on Patmos, and to consider what it would be like to have him come to the churches and share what Jesus told and showed him in the vision. What a good challenge to hide God's Word in our hearts that we might, "think on these things."
