

Dear Tom:

Enclosed is a gift from Faith Bible Church in appreciation for the time, effort and prayers you have generously invested in our youth group.

Your knowledge of the Word, with your commitment to the discipline of Scripture memorization, has certainly been a challenge to us all...including myself.

Wish we could have you around! On the otherhand, were excited for the opportunity you have to spend time in Israel. What a learning and growing time it will be for you. And how it will deepen your insights into Scripture! We look forward to having you come back and share your experiences there.

●nce again, thank you, Tom, for your ministry to us.
