

# **Park Lane Baptist Church**

To Whom It May Concern:

Park Lane Baptist Church recently had the privilege of hosting Brother Tom Meyer of Wordsower who dramatically and expertly quoted Genesis 1-11, and the books of James and Revelation. He captivated, encouraged, and excited the congregation with God's Word. Brother Meyer also shared with our Awana group in an interactive fashion that brought the Bible stories to life and encourage them in their own Bible learning. Our church has been challenged with Bible memorization so that some have taken upon themselves to memorize Scripture and as a church we will implement a memory challenge for our adults.
