Dear Tom,

David Ryan,
Senior Pastor

Jordan Patrick,
Pastor of
CE and Youth

We were very blessed last evening by your recitation of the book of James and Genesis 22 to our congregation. As you then talked with us about memorization and answered questions, your humble spirit and honesty with the group encouraged them to consider how they might work toward memorizing more Scripture themselves.

I trust that during your time in the United States many other churches and believers have the opportunity to be blessed by your work, your spirit, but even more so the recitation of the Word of God in a clear powerful way.

Because of our Savior,
