

To whom it may concern:

This past Easter we had Tom Meyer from Wordsower as a special speaker to recite Isaiah 53 during our Sunday morning services. Tom's passion for memorization and the Word of God was clearly seen and heard by all in his delivery of the spoken and memorized Word. His presentation of Isaiah 53 was very powerful. I look forward to having Tom back at our church when he will be able to share a book or larger portion of Scripture.

Blessings,
