

To Whom It May Concern:

Tom Meyer of Wordsower has been to Fellowship Baptist Church twice to speak the Word of God from memory and has been a tremendous blessing both times. My Congregation always looks forward to his return. Tom taught "Scripture Memory" to one of my Adult SS Classes and it was both wonderful and challenging. Tom has quoted the entire Book of Revelation; Isaiah 53 and Genesis 1-11. Each passage was extremely well done, all to the glory of God. Tom is of an adventurous spirit. While quoting Genesis 1-3, he used one of my very tame pythons... very well done. I am happy to recommend this wonderful ministry to you. Trust me, you will not be disappointed.
