

YOUTH WITH A MISSION

To whom it may concern:

The staff and students of YWAM Minneapolis were delighted to have Tom Meyer of Wordsower share the very Word of God spoken dramatically from memory with us at our Community Meeting on August 18, 2011. The Book of Jonah came alive as Tom recited it in its entirety in less than ten minutes. Through his oral presentation, we were able to take in the drama, appreciate the irony, and embrace this familiar Old Testament story in a new and fresh way! Thank you, Tom, and God bless you and your ministry!

Blessings,
