Dear Tom,

We sincerely appreciate your affiliation with Answers in Genesis and our Creation Museum. Your impressive Bible recitations—from memory—have not only blessed our museum guests in recent years, but our staff has also been encouraged at specially arranged chapels here at the ministry. I think, too, of your presentation to our Israel tour participants in 2009. We have now heard you masterfully recite Revelation, James, and (not surprisingly) the Book of Genesis.

Your commitment to biblical truths and accuracy are highly commendable. We heartily recommend your Bible-proclaiming ministry, for we know that God's Word will not return void (Isaiah 55:11)—and we know that as you speak His Word with authority and passion, people will be mightily blessed.

I trust that AiG's endorsement of your fine ministry will open up new opportunities for you to proclaim the Bible and its truths.

Sincerely Yours in Christ,

Ken Ham
