To Whom It May Concern:

Tom Meyer shared the Wordsower Ministry here at Bethlehem Bible College today. He quoted from memory the book of Jonah and challenged the students to hide God's Word in their hearts as David, who lived in Bethlehem, wrote 3000 years ago. We recommend Tom's ministry to any church or youth group who loves God's Word and would enjoy hearing it spoken from memory in this unique ministry. God Bless!

In His Name,

Bishara Awad
President
