

Shalom Tom,

Thank you so much for your ministry at Israel College of the Bible in Jerusalem on Tuesday. We really enjoyed your powerful presentation of Scripture to the students and staff. It's amazing that you are able to commit to memory so much of the biblical narrative and deliver the verses with conviction and passion.

You encouraged us to commit to memory more of God's word in our own lives.

Thank you once again and may the God of Israel bless you in your ongoing ministry and studies.
