

AUTUMN RIDGE CHURCH

Loving God. Serving people.

To whom it may concern:

Recently Tom Meyer blessed Autumn Ridge Church through his ministry of the memorized spoken Word of God and convinced children, youth, and adults that it is possible to memorize large chunks of the Bible. Tom's delivery of the Scripture was excellent. He was well prepared, fully engaged the congregation, and mastered his material. Tom provided easy steps to memorize sections of the Bible to our group and encouraged them how to go about doing such an important spiritual task. Many people at Autumn Ridge have now committed themselves to hide God's Word in their heart as a result of Tom's ministry with us. I am hesitant to bring guest speakers in, but Tom was top-notch, adjusted to our needs, and was worth every penny. I highly recommend Tom Meyer and his ministry of memorizing and telling the Word of God from memory to you and yours.
