

Dear Brethren,

I am glad on behalf of our church family here at Emmanuel Baptist to recommend the Wordsower ministry of Tom and Sarah Meyer. Tom has shared the memorized Word with our church family on a number of occasions, and each time has been both a challenge and a blessing. We have also seen an increase in the number of adults and children with a renewed desire to memorize God's Word.

When I announce that Tom has been scheduled we have consistently seen folks come in larger than usual numbers to hear the beauty of the Word of God spoken with genuine passion and accuracy. Tom's first-hand knowledge of Israel and his grasp of both Biblical and contemporary issues will only increase the impact of his ministry with your folks. I trust you find a place in your schedule to allow Tom to minister to you and your people in the near future.

In Christ,

Dale Williams
